PROVISIONS TO APPLY FOR NEWBUILDING VESSELS ONLY

(Optional, only to apply if expressly agreed and stated in Box 37)

1. Specifications and Building Contract

(a) The Vessel shall be constructed in accordance with the Building Contract (hereafter called "the Building Contract") as annexed to this Charter, made between the Builders and the Owners and in accordance with the specifications and plans annexed thereto, such Building Contract, specifications and plans having been counter-signed as approved by the Charterers.

(b) No change shall be made in the Building Contract or in the specifications or plans of the Vessel as approved by the Charterers as aforesaid, without the Charterers' consent.

(c) The Charterers shall have the right to send their representative to the Builders' Yard to inspect the Vessel during the course of her construction to satisfy themselves that construction is in accordance with such approved specifications and plans as referred to under sub-clause (a) of this Clause.

(d) The Vessel shall be built in accordance with the Building Contract and shall be of the description set out therein. Subject to the provisions of sub-clause 2(c)(ii) hereunder, the Charterers shall be bound to accept the Vessel from the Owners, completed and constructed in accordance with the Building Contract, on the date of delivery by the Builders. The Charterers undertake that having accepted the Vessel they will not thereafter raise any claims against the Owners in respect of the Vessel's performance or specification or defects, if any. Nevertheless, in respect of any repairs, replacements or defects which appear within the first 12 months from delivery by the Builders, the Owners shall endeavour to compel the Builders to repair, replace or remedy any defects or to recover from the Builders any expenditure incurred in carrying out such repairs, replacements or remedies. However, the Owners' liability to the Charterers shall be limited to the extent the Owners have a valid claim against the Builders under the guarantee clause of the Building Contract (a copy whereof has been supplied to the Charterers). The Charterers shall be bound to accept such sums as the Owners are reasonably able to recover under this Clause and shall make no further claim on the Owners for the difference between the amount(s) so recovered and the actual expenditure on repairs, replacement or remedying defects or for any loss of time incurred. Any liquidated damages for physical defects or deficiencies shall accrue to the account of the party stated in Box 41(a) or if not filled in shall be shared equally between the parties. The costs of pursuing a claim or claims against the Builders under this Clause (including any liability to the Builders) shall be borne by the party stated in Box 41(b) or if not filled in shall be shared equally between the parties.

2. Time and Place of Delivery

(a) Subject to the Vessel having completed her acceptance trials including trials of cargo equipment in accordance with the Building Contract and specifications to the satisfaction of the Charterers, the Owners shall give and the Charterers shall take delivery of the Vessel afloat when ready for delivery and properly documented at the Builders' Yard or some other safe and readily accessible dock, wharf or place as may be agreed between the parties hereto and the Builders. Under the Building Contract the Builders have estimated that the Vessel will be ready for delivery to the Owners as therein provided but the delivery date for the purpose of this Charter shall be the date when the Vessel is in fact ready for delivery by the Builders after completion of trials whether that be before or after as indicated in the Building Contract. The Charterers shall not be entitled to refuse acceptance of delivery of the Vessel and upon and after such acceptance, subject to Clause 1(d), the Charterers shall not be entitled to make any claim against the Owners in respect of any conditions, representations or warranties, whether express or implied, as to the seaworthiness of the Vessel or in respect of delay in delivery.

(b) If for any reason other than a default by the Owners

under the Building Contract, the Builders become entitled under that Contract not to deliver the Vessel to the Owners, the Owners shall upon giving to the Charterers written notice of Builders becoming so entitled, be excused from giving delivery of the Vessel to the Charterers and upon receipt of such notice by the Charterers this Charter shall cease to have effect.

(c) If for any reason the Owners become entitled under the Building Contract to reject the Vessel the Owners shall, before exercising such right of rejection, consult the Charterers and thereupon

(i) if the Charterers do not wish to take delivery of the Vessel they shall inform the Owners within seven (7) running days by notice in writing and upon receipt by the Owners of such notice this Charter shall cease to have effect; or

(ii) if the Charterers wish to take delivery of the Vessel they may by notice in writing within seven (7) running days require the Owners to negotiate with the Builders as to the terms on which delivery should be taken and/or refrain from exercising their right to rejection and upon receipt of such notice the Owners shall commence such negotiations and/or take delivery of the Vessel from the Builders and deliver her to the Charterers;

(iii) in no circumstances shall the Charterers be entitled to reject the Vessel unless the Owners are able to reject the Vessel from the Builders;

(iv) if this Charter terminates under sub-clause (b) or (c) of this Clause, the Owners shall thereafter not be liable to the Charterers for any claim under or arising out of this Charter or its termination.

(d) Any liquidated damages for delay in delivery under the Building Contract and any costs incurred in pursuing a claim therefor shall accrue to the account of the party stated in Box 41(c) or if not filled in shall be shared equally between the parties.

3. Guarantee Works

If not otherwise agreed, the Owners authorise the Charterers to arrange for the guarantee works to be performed in accordance with the building contract terms, and hire to continue during the period of guarantee works. The Charterers have to advise the Owners about the performance to the extent the Owners may request.

4. Name of Vessel

The name of the Vessel shall be mutually agreed between the Owners and the Charterers and the Vessel shall be painted in the colours, display the funnel insignia and fly the house flag as required by the Charterers.

5. Survey on Redelivery

The Owners and the Charterers shall appoint surveyors for the purpose of determining and agreeing in writing the condition of the Vessel at the time of re-delivery. Without prejudice to Clause 15 (Part II), the Charterers shall bear all survey expenses and all other costs, if any, including the cost of docking and undocking, if required, as well as all repair costs incurred.
